

# HOW TO FIND US

**WARNING:** If you enter our postcode into a sat-nav it'll take you to the middle of Butterwick village, which is wrong! Our farm is situated halfway between Butterwick and Foxholes, as shown on the map below.

Our offices & workshop are located at:  
**Boythorpe Farm, Butterwick, Malton**  
**North Yorkshire. YO17 8HF**

Main office Telephone (01377) 267615  
 Edward Ravis Mobile (07531) 443479  
 Mark Wilson Mobile (07831 417606)

Boythorpe Farm has two entrances. One of them is closed and unused. Please use the entrance *nearest the double bends*.

**WAGONS/TRUCKS:**

When you arrive at the farm drive up the entrance until you see a large open area (yard). Park your wagon there and someone will come and see you.

**CARS:**

As you follow the driveway up you will see a brick archway on your right hand side. Pass under the archway and drive along for a few yards, then turn right down a slope and into our car park.
